Casey Industrial appoints Vice President, Power Division

Casey Industrial is pleased to announce the appointment of **Mark Aldrich** as Vice President of Operations, Power & Environmental Division.

Mark, who holds both a BSChE from Michigan Tech and an MBA, has over 20 years of industry experience. Prior to joining Casey, Mark served as US Power Business Manager for Victaulic Company, a global supplier of piping system solutions.

The Power & Environmental Division is focused on providing superior customer service and unparalleled industry expertise to all our customers.

Casey Industrial has nationwide industrial construction project expertise, interest, and capability. The company self-performs structural concrete, steel erection, rigging, millwright, electrical, and process piping.

For further information, contact Tom Lepak, Casey Industrial's vice president, business development at 720-974-2659 and tlepas@caseyind.com or Mark Aldrich, vice president, power & environmental division at 720-974-2654 and maldrich@caseyind.com.
